

Like a small boat on the ocean
Sending big waves into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion

**And all those things I didn't say
Were wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?**

**This is our fight song (hey)
Canberra Unite song (hey)
Prove we're alright song (hey, ha)
Our power's turned on (hey)
Starting right now, we'll be strong (hey)
We'll play my fight song (hey)
And we don't really care if nobody else believes (ha)
'Cause we've still got a lot of fight left in green**

Losing friends and I'm chasing sleep
Everybody's worried 'bout me
In too deep, say I'm in too deep (I'm in too deep)
And it's been two years, I miss my home
But there's a fire burning in my bones
Still believe, yeah, I still believe

And all those things I didn't say
Wrecking balls inside my brain
I will scream 'em loud tonight
Can you hear my voice this time?

This is our fight song (hey)
Canberra Unite song (hey)
Prove we're alright song (hey, ha)
Our power's turned on (hey)

Starting right now, we'll be strong (hey)
We'll play my fight song (hey)
And we don't really care if nobody else believes (ha)
'Cause we've still got a lot of fight left in green

A lot of fight left in green

Like a small boat on the ocean
Sending big waves into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion

This is our fight song (hey)
Canberra Unite song (hey)
Prove we're alright song (hey, ha)
Our power's turned on (hey)
Starting right now, we'll be strong (hey)
We'll play my fight song (hey)
And we don't really care if nobody else believes (ha)
'Cause we've still got a lot of fight left in green

We've still got a lot of fight left in green
